

## Trash Information

1. **Curbside trash pickup.** This service is included in your HOA assessments. Pick up occurs for every unit on Wednesday of each week. Trash containers are provided by the trash disposal organization (Solid Waste). If a holiday falls on a Wednesday, pick up will be the next day.
2. **Curbside recycling pickup.** This service must be set up and paid for individually by Homeowners with Solid Waste. Their phone number is 435-259-6314. Pick up occurs on Thursday of every other week unless a holiday falls on a Thursday, then pick up is the following day.
3. The large bins located in the RV lot are to be used only for landscaping and yard wastes and common household trash.
4. Limbs and plant clippings should not exceed 2" by 2' in size.
5. Scrap metal and materials that are too large (exceeding 2' in any dimension) for these containers should be disposed of at the City's depot for such materials.
