

## **Donations of Time and Money**

### Weeding and Other Landscaping Work

We all enjoy the flowers and shrubs in our open space, but we can always use a little help weeding now and then. For times and dates when this is done as a project, contact Tom Fiore at 970-389-3069. Larger projects will be publicized through email to all owners to ask for volunteers to help.

### Nightly Pool Closings

At the present time, the nightly pool closing is done by the professional service contracted to clean and manage the pool. On occasion, if this service is not available, volunteers may be requested to close the pool in the evening.

### Trash Help

Some of our residents only come and visit intermittently. They would appreciate help from their neighbors to put out their trash bins on Wednesday and take them in on the same evening. This helps control the smell of trash from your neighbor's courtyard and it helps prevent animals and birds from spilling out trash onto the ground. It also prevents owners from throwing their trash into the RV lot dumpster.
